

# Summary of responses to survey

This is a summary of the responses registered for our recent questionnaire, which asked a series of questions about the Draft Neighbourhood Plan as it stands.

We thank everyone who responded, and regret that we cannot reply to you all individually. The results are currently being analysed and the Draft Plan will be amended, where appropriate, with these in mind.

Please look out for the next stage of development of the Lewes Neighbourhood Plan, which will include a further period of several weeks' public consultation and an exhibition at the Town Hall.

Look out for the latest updates on [www.lewes4all.uk](http://www.lewes4all.uk)
